About the font 9 pt

Inspired by an art technique, Chiaroscuro is a display typeface that conveys elegance and finesse. It has high contrast, sharp terminals and compact vertical proportions that makes it ideal for headlines. Its classy personality directly relates it to the world of art, fashion, music or literature among others. Chiaroscuro is suitable for any piece of communication that requires some refined and sophisticated typeface.

Licenses 9 pt

Desktop For use on a desktop computer. Including the most common uses, both personal and commercial, for use in desktop applications such as Adobe Photoshop, Adobe InDesign and Microsoft Office. Desktop licenses are based on the number of computers in which the font will be installed.

Webfont For a website or web application. A webfont license allows to embed the font into a website, so that it can be displayed on any browser. The license is based on a monthly pageview allowance for the webfonts. One time fee, this license does not need to be renewed if the site remain within that monthly pageviews.

ePub For use on an electronic publication. The license allows to embed the font in an electronic publication such as digital books, magazines, newspapers. An ePub license is based on the number of publications in which the font is used and each issue counts as a separate publication.

App For a mobile app for iOS, Android or Windows Phone, the license allows to embed the font in the mobile application's code. Licenses are purchased based on the total number of different apps created.

Server For use on sites, web apps, or services that allow a non-licensed user to utilize the font to create a personalized product. This license is valid for one year and is renewed each year that the font remains in use. A font downloaded with this license cannot be used in Software as a Service.

Custom options However, larger licensing fees are available, if none of our current options fit your needs, please do not hesitate to contact us. Besides this, special broadcasting license are available, consisting on additional licensing options for using the font software in TV broadcasting, film credits or any onscreen application. Moreover, we offer corporate license, a perpetual and unlimited combination of all of our licenses, including customized name and font embedding permissions. If you require some custom work or modifications on our fonts, such as a new weight, alternative characters or extra alphabets, please do not hesitate to contact us.
